It will be noticed that there are rather more Meets than usual on the list this year; this in order to provide a reasonable number of Meets of all types so that everyone has a chance to attend a Meet at regular intervals, whatever their tastes

Accommodation for this walk has been arranged in a barn at CLOUGH HOUSE, WILDBOARCLOUGH. There is unfortunately no hay or straw available, but otherwise the barn is in good condition and weatherproof.

The Meetleader will travel to Buxton by train at 1.0 p.m.. A 'bus for Flash leaves there at 2.35 p.m.. The walk is intended to walk in the direction of Three Shires Head to Knar Farm, where cups of tea have been arranged for. Refreshment in the evening can be obtained at the Crag Inn, only one mile from the barn by road.

Walking on Sunday has not been planned, but a good place for lunch is at Stake Farm near the Cat and Fiddle.

The train leaves Buxton at 6.35 p.m., and 'buses to Derby run every two hours, on the even hours.

LIANBERIS MEET. Jan 30th-Feb. 1st.

P.J. GAYFER.

A coach will again be arranged for this Meet if sufficient support can be obtained. It will run from Nottingham if enough Members from that area attend, calling at Derby 'Bus Station for the Derby contingent.

In order to make an accurate assessment of the Members attending would those wishing to come please complete the form overleaf and return it to 148, Peartree Rd., Derby, together with 10/- deposit if wishing to use the coach.

Further details will be issued later but no Hut accommodation will be arranged this year, so that those not wishing to camp must fend for themselves.

ALPINE MEET, 1959.

At the last Committee Meeting it was suggested that it might be possible to organise a Club Meet in the Alps this year. There seemed to be two schools of thought, one favouring the period mid - June, while the other elected for August, in view of the school holidays. No venue was decided upon, as this would obviously have to be arranged by mutual agreement between those wishing to attend, although the Engadine was mentioned with some favour. Anyone interested should get in touch with Len Hatched, Jack Ascroft, or the Hon. Meets Sec.
