FIREWORKS MEET - ILAM, DERBYSHIRE 4/5th NOVEMBER BOB PECTIGREW.

There is an annual Giant Bonfire held in the grounds of Ilam Hall Youth hostel followed later in the evening by a spectacular Pantomime in the Hostel. Camping is close to Ilam village in a field close to the river and just over the bridge to the South of the village centre. There will be the usual firework display by the meet leader who hopes this year to put more than a dustbin in orbit.

At 10am on the Sunday the annual cross-country race organised by the Derby Mercury. Starting from the Youth hostel the course crosses much rough ground eventually crossing the Dove at the stepping stones in Dovedale and returning to the starting point. Quite a number of Oreads have expressed their intention of having a bash at this trot. If you want to join in turn up at the starting post in plenty of time.

A walk through Dovedale should be a good idea after the race. at least for those who are still able to walk!
