JUNE 23rd

GRITSTONE ANNIVERSARY MEET

E. BYNE

This year marks Eric's 34th year of rock climbing on gritstone. Camping will be at Froggatts' Farm (Baslow), a familiar enough campsite for Oread members and convenient for climbing on Birchens and Gardoms edges; as in previous years a good turn-out of members is expected.

JUNE 30th

"CLOGGY MEET"

E. WALLIS

The club hut has been booked for this meet and bookings should be made to E. Wallis or to Chuck Hooley in the 'Bell'. This is not necessarily a 'hard mans' meet, as the Far West buttress offers some very pleasant slab climbing of a more reasonable standard, whilst the main crag has routes within the capabilities of most club members - especially if sufficient leaders can be found.
