November 3rd

Fireworks Meet

Owing to inconvenience to local inhabitants it is considered inadvisable to hold further meets of this nature at the hut (remember the orbiting dustbin and smoke bombs!). However, a grand scale bonfire is held at Ilam each year and there is a campsite over the bridge by the Cross in the village. This weekend coincides with the 'Dovedale Dash', a 5 mile cross country run organized by the Derby Mercury R.C. and which provides a fine chance of proving one's fitness; it is hoped an Oread team will be there again this year.
