

OREAD PHOTOGRAPHIC COMPETITION 1962  
\*\*\*\*\*

27th October.

Meet Leader: R. Handley  
Judge: C. D. Milner

As in previous years this meet will be held at the Prince of Wales, Baslow, and camping will be at Froggatt's Farm. C. D. Milner is the judge this year and anyone that remembers his entertaining judging on his previous visit will be looking forward to an enjoyable evening.

All slides and prints must be made available by October 12th and the entrance fee will be 2/-. There will be 2 or 3 prizes and it is hoped that Oreads will rally round and take the cup away from Ashcroft and Burgess!

Rules for the Competition

Rules for the competition have been decided in committee, and also to introduce a further cup for Black and White prints; this will obviate the old system of an overall winner on points aggregate from both B/W and Colour slide sections.

The competition will be divided into three sections; the first two sub divided again and competitors can make two entries into each of the sections/sub sections. (ie. total of 10 entries).

Section 1 Mountaineering at Home

- (a) General mountain views
- (b) Action

Section 2 Mountaineering Abroad

- (a) General mountain views
- (b) Action.

Section 3 General Club Interest

The above sections apply to both Black & White Prints and Colour Transparencies. Colour transparencies are not limited to 35 mm. Monochrome transparencies. It was felt that there is not enough support to include a section for these as yet, however they may be shown on the night if any are available.

General Club Interest Section: It was felt there was a demand for this section and the 'interest' value will be of prime consideration in the judging.

Special Note

A notice re alterations to hut rule is enclosed with this circular. This should be lightly gummed to page 8 of the handbook.
