THE BEACHES

Dave Weston

It is hopeless to try and predict the weather for this meet, but I hope it will be fine and dry and a good chance to get back the fitness and technique lost over the past few months! - speaking for myself, that is. Still it will be a good chance for the hard men to get some training in for the terrific summer we hope to have. Camping will be arranged at the farm near the rocks and will the first members there please notify the farmer. There is also barn accommodation. Anyone requiring transport or more information see me in the "Bell" or contact me at : 6, Devas Gardens, off West Road, Spondon, Derby.
