4th - 6th December, 1964

Meet Leader: -- Harry Pretty, Pond Road, Holbrook, Derby.
Tel: Hersley 762.

There is nothing new about this meet - except that extreme deterioration has made the Bullstones Cabins more or less uninhabitable - excluding emergency. I therefore once more propose using the cabin at the top of Lower Small Clough on Saturday night. The Clough is ravine like and the cabin is hidden until you are almost on the threshold. Suffice it to say the cabin is on the true left bank and it is higher up the stream than most people think - the map reference is approximately SK 148958.

Some of the party will foregather on Friday night in the "Nags Head", Edale - leaving vehicles at Kenning's, Bamford and catching a train into Edale.

The beaten dung floor of Poltergeist Barn will provide some rest on Friday night, and our route on Saturday will be over Kinder to Fairbrook Naze, Ashop Cbugh Cabin, Featherbed Moss to Doctor's Gate, Grains in the Water, Bleaklow Ridge to Grinah Stones - thus to Lower Small Clough. Sunday will depend on weather and condition of the party.

I hope that we shall have the usual splendid turnout - particularly on Friday night.

The following train times may be of use:-
