

OREAD MOUNTAINEERING CLUB

Meets Circular - January, 1965.

January 9/10th

Welbourne's Wander

Derbyshire Walk

Welbourne's Wander seems to have passed me by as I have had no details whatever. However, it would appear the meet is 'on' and for details you had better contact John direct. First class accommodation will as usual be available in one of his numerous 'second' homes.

January 12th

Indoor Meet - Borrowash - 8.0.pm.

As the supply of mountaineering films seems to be exhausted two first class rally films are laid on to interest the motorised climber.

- (a) Signorina - Ils Important - Dunlop Rubber Co.
- (b) Hillman Non-Stop - Rootes Group.

February 4th/6th

Langdale - Raw Head

B. Cooke

Brian has once again secured the use of the Fell and Rock Hut at Raw Head for the very popular meet in the Lake District. As this meet, blessed usually with perfect weather, is one of the most popular long distance meets, it is hoped that anyone in clubs having access to "The Barn" will book themselves in and relieve the strain on "The Cottage". Brian is now resident up North so bookings please to Marian or to myself.

February 9th

Indoor Meet - Borrowash

Slide Show - Lecturer to be announced later.

February 19th/21st

Club Hut

P. & R. Craddock

Paul writes to tell me he is now accepting hut bookings for this meet - overflow accommodation of course being available in the village! Paul notes that he is hoping for good snow and ice climbing, rock climbing, skiing, etc. around the P.Y.G. and skating on Llyn Dinas. If that's not enough one can always sun-bathe at Caernarven.

.....

The Committee take this opportunity of wishing
