

DREAD MOUNTAINEERING CLUB  
(Meets Circular for December)

December 3/4.

DERBYSHIRE

H. Pretty.

The Meet will commence as tradition demands in the bar of the "Nags Head", Edale on Friday night 2nd December and at approximately 23.00 the party will assemble in Poltergeist Barn after the usual dreadful scramble up the side of Grindalow Knoll.

Saturday should find us traversing part of Kinder and Bleaklow according to weather and condition of the Meet Leader! I had hoped to book accomodation at Wood Cottage in the Snake for Saturday night but the hut is unfortunately fully booked. I am, therefore, proposing to use the cabins in Oyster Clough - South side of Bleaklow - behind the Snake Inn and walked on the Huddersfield 1" O.S.

Any late bed spaces in Wood Cottage will be rectified after. I have - booked nine - but the odds lie in favour of Oyster Clough.

I intend to leave my car at Kennings Garage, Bamford on Friday night and catch the 7.40 train into Edale. There is a later train for latecomers. I am hoping to see a few other elderly gentlemen in this meet such as Stan Moore, Geoff Gibson, Dave Williams, and, of course, the President - and doubtless Jim Kershaw will be in the area - if we can find him.

December 6th.

ALPAMAYO 1966

Dennis Gray, leader of the 1966 British Peruvian Expedition is talking at the Art Gallery, Derby on the ascent of Alpamayo by the North Ridge. From their success on this mountain, where the whole expedition reached the summit, the team moved to Yosemite in California and finished with some sensational rock routes. Alpamayo has been described as "the worlds most beautiful mountain" and Dennis assures us this is so. Book the date, Wednesday, Jan. 18th at 7.30 prompt. Ticket 2/6d each. Anyone requiring tickets please contact D. Burgess or committee members.
