

## OREAD MOUNTAINEERING CLUB

### FOOT & MOUTH EPIDEMIC

Owing to foot & mouth restrictions in Derbyshire and other areas all future Oread meets are cancelled until further notice. The Oread Committee has received a circular from the British Mountaineering Council to ask all members NOT to go into restricted or NON restricted areas. In fact to PLEASE STAY AT HOME.

### THE HUT & CHRISTMAS

The club hut at RHYD-DDU in North Wales has officially been closed until the restrictions caused by the epidemic have been lifted. This also means that Christmas at the hut has been cancelled, and it will not pass to say that you are going to collect presents as Santa Claus cannot take his reindeer into the area. In fact it has been said that anyone wishing to help the present poor relationship with Welsh farmers should visit Wales at the moment.

The following members have not paid their subs for 1967 and as it is rather late in the year would they please consider paying for 1968 at the same time.
