

ALPINE MEET 1968

RAY HANDLEY

Ray has kindly offered to hold a meeting at his home on Wed evening Jan. 31st. If you are hoping to go to the Alps this year, please try and get to Rays, so that things can be sorted out early, and not left until the last minute as last year. The main things to think of before the meeting are -- ideas where to go and dates. July 27th to Aug. 9th has been suggested, so if this does not suit you, then be at the meeting. It is the members of the Club who make a meet like this successful.

3rd/4th Feb.

LANGDALE

DAVE. WESTON

This is a complete 'off the cuff do' and as the Lake District is open to visitors again, I think we can hold a meet with a clear conscience, as walkers and climbers seem to be the only ones bothering about foot & mouth. It will have to be a camping meet, because if there is a hut that will HAVE us, it will be too late to try to book it. I propose to camp at the National Trust site in Langdale, and just hope that there will not be many other folk there, and that the weather will be fine. Final arrangements can be made on the Tuesday before at the Wilmot, Borrowash.

13th Feb

INDOOR MEET SCOUT HALL, BORROWASH

8pm

Jim Bury has kindly offered to come along and give a lecture to the Oread, and I am sure it will be of interest to all. The lecture will cover mountaineering in the Alps, Arctic Norway, Pyrenees, Corsica and Jugoslavia, during a period of 10 years. There will also be slides showing special transport equipment and photographic equipment. The lecture is due to start at 8pm. so please try to be there on time.
