

OREAD MOUNTAINEERING CLUB

Meets Circular Nov. 1968

NOV. 3rd

DOVE DALE DASH

The weekend NOV. 9th has had to be cancelled. As far as I know there is neither a bonfire or pantomime this year, so it looks as if the 'DASH' is all we are to get out of the Bonfire weekend. There is nothing stopping it being a weekend meet and camping will be at the usual place on Blore Pastures. This should give a good start for the run on Sunday morning. For new members to the Oread, this is about the only chance of seeing some of the OLDER members in action, if you are not going to the Cairngorm's this Winter, that is !

CLUB HUT

KEN HODGE

What better after spending the last few meets roughing it under canvas than to enjoy the facilities of the hut, admiring the handi-craft of the working party. For the benefit of the new members the hut is on the Beddgelert-Caernarvon road, Grid Ref. O.S. NO.107 571527, within short motoring distance of crags such as those in the Llanberis Pass, Clogwyn dur Arddu, Lliwedd, Tremadoc, Cwm Silyn and the Moelwyns which provide excellent climbing of all grades. For the walkers there are the Snowdon Horseshoe, Cnicht, Moel Lefn and Moel Hebog on the doorstep and being autumn the countryside will be at its best photographically, so come and get clicking. For the fitter members Sunday afternoon will be spent at the Black Rocks Stadium playing football and although it cannot boast surfing conditions you may be brave enough to go for a paddle. All those intending to go please let me know. Arrangements for lifts etc. at the "Wilmot" on the Tuesday before the meet.
