

OREAD MOUNTAINEERING CLUB.
MEETS CIRCULAR DECEMBER 1970.

DEC. 15

SCOUT HALL, BORROWASH.

8.00pm.

For this meet Ray Colledge has kindly offered to lecture on this Years Alpine Holiday which he shared with Dennis Davies. Among the routes they knocked-off was the North Face of the Grossehorn, which, I understand is worthy of a lecture in its self.

So, get your Winter Draws on and lets have a Full-House.

Note.

As a matter of interest, John, the 'Wilmot' landlord has kindly agreed to get the heating switched on at the hut for us round about 6.00pm, so there should be no excuses for the place being cold. Also coffee will be served for 15 minutes before the start of the lecture.

DEC.11/13.

BULLSTONES.

H. PRETTY.

It was suggested that this meet be transferred to the weekend 18/19 December, but this has proved to be impossible due to previous reservation of Wood Cottage.

The meet will therefore be entirely traditional. We will meet in the Nags Head, Edale at any time after 7.30pm, on Friday night, 11th, December, followed by the customary night traverse of Kinder to Wood Cottage.

Saturday will be spent on Bleaklow and the Howden Moors, with an overnight bivvy in the Shooting Cabin in Lower Small Clough (of evil repute).

I hope to arrange Ham and Eggs at the Church Hotel, Edale for mid-afternoon on Sunday, 13th, December.

There is nothing quite like this Meet in the Oread Calender - so anyone who hasn't tried it is well advised to have a go before the Meet Leader decides, once more, that this is his last Year.

NB. The indoor meet has been put back a week from that previously mentioned so you can all watch the 'Eiger' programme on the Tele.

TEAM ALPHA MEMBERS.

DEC. 9

BLACK HORSE INN, HULLAND WARD.

Meet 7.30pm onwards to discuss the recent Dovedale Practice Rescue.
