HEATHY LEA.

R. CHAMBERS.

This is the first 'Club Meet' at Heathy Lea following its memorable official opening last month, so lets have a good turn out. Anyone not lucky enough to get a bed can always camp across the road at Ben Froggatt's Farm.

I shall be at the Hut Friday night and aim to climb on Gardom's Edge Saturday, followed by a 'boozy' night on Edith's 'Emulsion' at the 'Royal Oak' Eyam.

For those fit enough Sunday morning I propose a walking-climbing excursion along the Baslow, Curbar, Froggatt, Edges and back via. Froggatt Village, Calver and Chatsworth. Anyone wanting a bed see me at the Wilmot.

DEC. 5/6.

TAN-Y-WYDDFA
