

OREAD MOUNTAINEERING CLUB

MEETS CIRCULAR APRIL 1974

APRIL 26 -28

WELBOURN'S WANDER

J. WELBOURN

After a lengthy discussion with several members of the club it was decided to alter the arrangements for this years thrutch. Instead of having a continuous walk involving two camps, the meet will now centre on Bala for the two nights. PENYBONT site is on the side of the B. 4391 half a mile from the town centre. A number of members used this site last year and most of them seemed very impressed with the flush "thunder boxes" razor points, mains water, and the efficient proprietor. I have been asked to send the details of the number of people expected to attend the meet, status, caravans, tents no of dogs if any.

On Saturday a circuit of MIGNEINT MOOR is envisaged (weather forecast good) A short car ride to LLYN CELYN will enable all support drivers of previous Welsh Walks to get a good-un in with the main bunch this year.

A number of well known members have not yet decided to turn out for this event, but I have been very fortunate to get MR IDWAL DAVIES a well known member of PLAID CYMRU to join us so he will be able to solve all the language problems for us. Sunday a walk to CADER should round off an interesting weekend. So the best of British luck.

Perhaps Peter Janes could let me have a p.c. 10 days before the "do" so as to give me some idez of the number I can expect to turn up. Thank you Peter.
