

OREAD MOUNTAINEERING CLUB

MEETS CIRCULAR NOVEMBER/ DECEMBER 1974

NOVEMBER 3rd

DOVEDALE DASH

Once again it is time to call on the stalwarts to present themselves at Ilam Hall on Sunday 3rd November 10.30 am to defend the honour of the Oread, a club which has fielded the winner on several occasions, in this free-for-all cross country run. I shall be there to do my modest best, but the need is for new blood. Anyone can enter on the spot, and ladies and veterans are usually given a fair start, so roll up and give it a try.

NOVEMBER 5th

6 NORTH FACES (INDOOR MEET)

Pter Holden

One season's activity by one of our more recent members. Some excellent slides of the more serious Alpine routes are guaranteed, no doubt with pithy comments. Pter has agreed not to include any slides in which he looks "too smug" - the rest should be "grippers".  
At the Royal Oak, Ockbrook 8.00pm

NOVEMBER 8 -10

HEATHY LEA

This is a meet for which no amount of arm twisting could find a leader, but none is really needed. Heathy Lea plus barn is now unburstable and the area needs no introduction. 'Uncle Nat' will probably be in the van again, so what more could you want.

NOVEMBER 23rd

ANNUAL DINNER

P.W. GARDINER

Don't miss this one !!

We are at the 'Green Man' again for the 25th annual dinner so book early to be sure of your place.

No apologies are offered regarding the cost; if you know where a hundred and fifty people can sit down to a meal for less, than the committee would be glad to hear from you.

Send me the tear off slip, together with cheques/P.O.; (Payable Oread M.C.) and a stamped addressed envelope

Receipts will be issued - tickets have been dispensed with in the interest of cost saving.

If there are any people you wish to sit near to / far away from, please indicate.

On Sunday meet 10.30am at Alsop-en-le-Dale Station (Tissingt on Trail car park) for circular walk calling at 'The George'

DECEMBER 6/8

BULLSTONES

R. Squires

This meet is now an annual misnomer. Thoughts of returning to the eponymous hut (or its foundations) having been dismissed, the well tried formula of recent years will be followed, namely, the remaining hours of Friday night will be spent in the comparative luxury of Lockerbrook Farm, and Saturday night in the squalour of Lower Small Clough Cabin. Meet at the Nags Head in Exdale any time before closing time. See Reg in the Moon the Tuesday night beforehand for lifts.
