MARCH 14/16

ANGLESEA

C. Radcliffe

As far as I know the Oread have never had an official meet to this area, although Craig Gogarth is one of the major present day climbing areas. This is an opportunity to get some good routes in when the high crags are probably out of condition. Camping will be at the Valley of the Rocks, a delightful camp site  $\frac{1}{2}$  mile north of Rhoscollyn, Holy Island approximately 3 miles south of South Stack.  
....See me at The Moon for lifts and precise location of the camp site.
