

OREAD M/C CIRCULAR

Nov 1976

Hut Fees - the hut fees at Heathy Lea should still be at the old rates of 20p for members, and 40p for guests. The new fees of 30p and 70p apply at the Welsh hut only. It is possible however that there will have to be an increase when details of the new lease are known.

Congratulations - to Ron and Kath Chambers on the birth of their son.

TAN-Y-WYDDFA Nov 13th/14th 1976

FRANK GOLDSMITH

I have no definite plans for this meet as the activities will depend to a large extent on the weather. However I expect to see the hut overflowing and that the usual family atmosphere of this meet will produce an enjoyable weekend. The weather has been booked - but unfortunately no guarantee could be given about delivery!

The popularity of Tan-y-Wyddfa seems to increase as time goes by so if you want to come contact me as soon as possible at 17 Eastglade Road, Bestwood Park, Nottingham.

ANNUAL DINNER Sat Nov 27th 1976

BRIAN WEST

Once again the dinner will be held at the 'Green Man', Ashbourne. 7.00 in the bar for a prompt start at 7.30 pm.

No apologies for the price, it's going to be £3.50 per person, tickets (in the form of a receipt) being available from me at the 'Moon' or from 104 Elm Tree Ave., Kilburn, Derby, sending the form from this circular and enclosing a stamped addressed envelope. First come, first served, and guests should be limited to one per member.

On the Sunday there will, of course, be the usual struggle up Bunster en route for Alstonfield and the 'George', starting from Dovedale car park 11.00 am at the latest.

For the hardy who want to do the weekend in style there are various camp sites available around the foot of Dovedale.

BULLSTONES Dec 3rd/4th 1976

JACK ASHCROFT

By way of a change and not a rest this years Bullstones Meet will commence in the usual manner, Nags Head, Edale, friday night - the walk commencing 11-o'clock under a star studded sky and crisp conditions under foot! The highlight of the weekend will be an attempt on Pretty's 'sixteen stones' - gall stones the lot.

I hope to arrange accomodation (two nights) at the Cookstone Barn in order to give a good start for the walk - travelling lightly on the Saturday. I think this will inevitably mean a 'sports team' and an 'aesthetic team'. I have in mind a walk to the Wain Stones with the S.T. carrying on around the head of the Derwent etc. whilst the A.T. may prefer to wander back via Grains in the Water and the Alport. All a bit vague but bear in mind that bad weather would wash the lot out.

Saturday night and sunday morning we will bridge the gap between the S's and A's with the usual aperitif and late sunday lunch at the 'Church'.

I hope the break with tradition will not be too much for the 'elders'. If any wish to patronize the usual Bullstones saturday night haunt they can do so. Let us sort it out nearer the date. Numbers will be required for the meal at the 'Church' and accomodation at Crookstone.
