

This somewhat late meets circular will, I am afraid, have to be supplemented by a fuller one for April.

I'm sure that you will appreciate that following the super-efficient job done by Keith Gregson over the last two years is pretty daunting - so please bear with me as I try to do my best. (At least you'll appreciate how good he was!) I have the added burden of a typewriter with a ! where the no. 1 usually is, so please don't assume it's adverse comment on your meets write-up if it appears unexpectedly.

My address is at the foot of this blurb, and unfortunately I have neither car nor phone, so must prevail on (i.e. BEG) Meet Leaders to supply write-ups as far in advance as possible, preferably at the 'Moon'. In really urgent cases, I can be contacted on Derby 49462, but only before 11am, please.

Finally, I must apologise to Paul Bingham for bringing this Circular out too late to publicise his Tan-Y-Wyddfa meet. However, I am sure that enough of you turned out to support it and have a good weekend.

(For those needing to find the elusive Bailey Street, it's off St. Chad's Road, at the top of Mill Hill Lane - near the School Dental Clinic which many of you must remember well!)

KINDER EDGES March 26th/27th

BRIAN WEST

After the rain the groughs are 'in condition', so here's your chance for a dirty weekend! Depending on the weather and the stamina, I am hoping to climb on some of the lesser-frequented Derbyshire crags such as Upper and Netter Tors, Fairbrook Naze, and the Downfall Ravine.

I had hoped to camp on the Snake but at this time of the year, the only people willing to have us are Fieldhead and Cooper's at Edale, and although bound by red tape, Fieldhead is at least clean and has excellent facilities. Both sites get crowded so I have provisionally booked half-a-dozen tents onto Fieldhead as the official O.M.C. party - first come, first served.

I'll be in the Nag's Head Friday night, but if you can't make it for the weekend, let's see you out on the Sunday.

INDOOR MEET A reminder that the next, and last for this year, April is to be held at the Royal Oak, Ockbrook, 8pm. It's Alpine Propoganda Night, so anyone with slides - not faded sepia prints - of previous meets and holidays in the Saas Fee area, please bring them along and make it a successful evening.

RESULTS OF THE OREAD FELL RACE 20TH FEBRUARY are attached. Run in adverse conditions, specially arranged by Nat, it was nevertheless a great success and it is hoped that it will become an annual event. Congratulations to the winner, Brian West, and to Colin Hobday (2nd) and John Linney (3rd), not forgetting the excellent time put up by Miles Mosley. Thanks to Nat (especially for his excellent - for some - nandicap system) and to Derek Carnell and all those who officiated and provided refreshments.

CONGRATULATIONS to April and Roy Sawyer on the birth of their son.

NEW MEMBERS

At the February Committee meeting, John Corden was elected to membership, and at the Committee meeting held prior to the A.G.M. on March 5th, Margaret Linney and Peter Wragg were elected to full membership of the Oread.

An application for membership has been received from John Draper. Will anyone with opinions on the suitability of the above applicant please communicate them with the Hon. Sec. or any Committee member.

SPRING BANK HOLIDAY As you will know, H.M. the Queen has rearranged the Spring Bank Holiday so that it is now based on the weekend June 4/5 - June 7th being the Bonus Jamboree extra holiday day. The meet at Gairloch will therefore be arranged to begin on June 4th. Please amend your meets card accordingly.

OREAD JOURNAL

Articles for the '77 Journal (to be published at the Annual Dinner) will be gratefully received and will improve current offerings by 100%! Don't forget that black and white ~~colour~~ prints make excellent material for illustrating your exploits - but colour slides or prints can also be accepted - and the Editor will make every effort ^{NOT} to mislay them !
