

SWALEDALE

3/4 MARCH

KEN BRYAN

I shall camp as I did two years ago at Usha Gap Farm, Muker, Grid Ref 905979.

At this time of the year, with very few tourists about, this fine area is at its best. Good walking both high and low level.

The best route is A1 to Richmond, A6108, B6270 to Muker. Drive through the village approx ¼ mile - the field is on the left opposite Usha Gap Farm and before a small bridge.

INDOOR MEET - ROYAL OAK, OCKBROOK FEB 6TH 8.00 PM LES PEEL

Everest 1976. The February Indoor Meet at the "Royal Oak", Ockbrook, will be by Bob Holmes, FRGS, the subject being Nepal and Mt Everest.

After the successful ascent by Doug Scott of the mountain, Bob Holmes went out to Nepal, to Base Camp to meet the members of the expedition. The lecture shows slides of his journey, and some slides of the actual climb will be shown.

Don't miss this lecture. I'm told the slides are excellent.
