

DOVEDALE DASH

NOVEMBER 7

This is "The" Social occasion of the Peak District. A sado-masochistic mud bath where all Oreads try to do as badly as possible so as to gain a favourable handicap for our own Fell Race. The race starts at Thorpe at around 10 to 11 am. Ample parking available. Come and "enjoy" yourselves.

STAIR, NEWLANDS VALLEY

NOVEMBER 13/14

GORDON WRIGHT

If you don't know this N.W. part of the Lakes, this is your opportunity to make amends. If you do know it, you will need little persuasion to visit it even in November, particularly as we will be staying in the comfort of the Fylde Club Hut. To reach the Hut leave the M6 at the Penrith turn-off and take the A66 towards Keswick. After by-passing Keswick, turn left after 1 mile through Portinscale, past the Swinside Inn to Stair. At Stair take a left turn signposted Little Town. The Hut is 100 yards further on the left - M.R. 237211. I will be in the Swinside Inn from 9.00 pm on Friday evening. See me on a Tuesday evening or phone Burton 813690 to book a place.

ANNUAL DINNER

BULLSTONES

DECEMBER 4/5

JOHN LINNEY

Once again we shall meet Friday evening in the Nags Head, Edale. From here we shall walk to the Jubilee Cabin O.S. Ref 142887 which I have booked courtesy of the National Trust. After a dry night, Saturday will be spent trying not to arrive at Lower Small Clough Cabin O.S. Ref 146957, wet and before 4.00 pm. Following a wet night the usual thrash back to the Nags at Edale will be made in order to dry the body and wet the throat and once again swear we're never going on another Bullstones again - but we do, don't we? See you all Friday 3rd in the Nags, complete with Bivvy gear, Map and Compass!

A number of fairly expensive jobs need to be undertaken at Tan-y-Wyddfa to maintain the fabric of the Hut in good condition.

Damp is one problem and an injected damp-proof course is proposed. The electrical wiring is mostly of unknown age and needs replacing. A Wood Stove and the completion of the drying room are also needed. Such work requires cash for materials, even if the labour is given free by club members.

How to raise this cash has been discussed in Committee. The favoured idea was put to those members, about 60% of the Club, at the Photo Meet. A show of hands indicated mass approval.

The idea is that each member will donate a minimum of £5 on or preferably before the Dinner on November 20th. For each £5 subscribed a free draw ticket will be issued. The draw will take place at the Dinner in place of the raffle. First prize is £100 with 10 other prizes which would normally be used for prizes at the Dinner. The opportunity to help the Club and, at the same time, have the possibility of winning a prize must not be missed. Odds are less than 20-1.

Donations to D.F.Penlington, 41 The Broadway, Duffield, Derby. A.S.A.P..

N.B. The Dinner is rapidly being sold out.
