

BRYN HAFOD, CWM COWARCH

SEPTEMBER 4/5

JOHN LINNEY

Once again I have booked 18 places at the Mountain Club's Hut which is situated at the head of Cwm Cowarch (Grid Ref SH 853194) near Dinas Mawddy. The Hut is about 10 minutes walk from the Car Park. All vehicles must park on the Common - Fawnog Fawr.

Many say this is the best hut in Wales, situated underneath the crag and at the foot of the Arans, this gives lots of scope for both the Walkers and Climbers alike. So why not come and join me and see for yourselves.

Booking:- Strictly first come, first in!

Ring me at home on Penkridge 3342 or at work on Bilston 43161. I shall be at the Rowing Club on the tuesday before the Meet for lifts, etc..

So lets 'ave yer' there, and on friday night at the Red Lion at Dinas Mawddy for a practice session and battle plan for the weekend.
Look forward to your company.

GOGARTH

SEPTEMBER 11/12

PAUL GARDNER

This is a repeat of last year's successful meet at the seaside. Bring your waterwings. No entry requirements necessary. For keen rock climbers there are some sea cliffs which offer a certain amount of climbing.

Camping will be at the Valley of the Rocks campsite near Treaddw Bay - N.B. Charges are per tent so bring a friend. More details at the Rowing Club.

GOYT VALLEY

SEPTEMBER 18/19

COLIN HOBDAY

By way of a change, it would be nice to visit an area which the Oread seem to have neglected in recent years.

Meet at the car park on Sunday at 10.00 in the Goyt Valley. From Buxton take the A5002 (Long Hill). Turn left at the top of the hill (signposted Goyt Valley), cross the Dam Wall to the Car Park at the road junction.

I propose to walk along Fernilee Reservoir and then over the Moor to Windgather Rocks for an hour's climbing, then continue over the Moors to the ruins of Erwood Hall, and if time permits, an introduction to 'Goytering'.

This is an ideal Meet for anyone who enjoys a pleasant walk and an easy climb in some of Derbyshire's most delightful countryside.

Anyone requiring lifts, etc., see me at the Rowing Club, or telephone 551594.

CORNWALL - EASTER 1983

DAVE HELLWELL

I am thinking of hiring a cottage in Cornwall next Easter - for a group of 6 to 8 people this offers more facilities and is cheaper than camping. If anyone is interested (no definite decisions required at this stage) could they please get in touch with me at the Rowing Club or on Derby 518843.

PHOTO MEET

KEN BRYAN / GORDON GADSBY

The 1982 Photo Meet will be held at Baslow Village Hall on Saturday October 9th starting 7.30 pm prompt. It will follow the usual format and regulations. You are entitled to a maximum of three entries in each of the five categories. These are:- Aesthetic at Home, Aesthetic Abroad, Action at Home, Action Abroad, and Club Interest. The judge will be Richard Gilbert of "Big Walks" fame.

Please get your entries, and entry fee of 30p, in to Ken or Gordon on or before the closing date of Tuesday 5th October. Entries should be colour slides only. These should be clearly marked with the category, the owners name and spotted in the bottom left-hand corner when viewed in the normal position (i.e. top right as projected).

This meet is usually one of the highlights of the club year, so let's see a good turnout on the night, and a good number of slides entered.

BEST ROUTES

KEITH GREGSON

You will recall that sometime last year I asked members to produce lists of 'most enjoyable routes in Derbyshire' with the idea of producing an article for the Journal. Well, this was done, and no doubt several of you will have seen various interim combined lists at various times. Unfortunately, however, the journal article disappeared into the editor's orifice sometime last year and will now be somewhat out-of-date.

In order to rectify this situation, and possibly to provide a better opinion, I enclose a couple of tables and would be grateful if as many individuals as possible would complete and return to me as soon as possible. When completed, each table should contain a list of the ten most enjoyable routes in your opinion - No.1 being the best and so on (individual returns will not be shown to anyone else!). Remember that it's enjoyment, in its widest sense, which is the criterion. The two tables refer to our local area (Derbyshire, North Staffs, etc) and to Britain as a whole - the same route may appear in both tables, of course.

For those who have already completed the exercise once, please regard this as the 1982 version and help again - your opinion may have changed. For the others, please help - the more individual opinion the better the overall result will be.

WINTER MEETS

CHRIS JONSON

This year's Indoor Winter Meets will start on the first Tuesday in October, the 5th, at 8.00 pm prompt, at the Royal Oak Ockbrook. Chris Jonson is organising the series again and judging by last year's standard they are bound to be very popular. A list of the lectures will be published in next month's Newsletter.
