Indoor Meet, Royal Oak

March 5

R. & R. (1985)  
Productions Inc.

The usual start time of 8.00 pm - Robin Beadle will be taking us through his 'Holiday Snaps from Peru' - it is rumoured that there is actually some climbing involved! Also, without giving too much away, rucksack theft, frostbite, etc..

Fell Race

March 10

Chris Jonson

For those who have followed this year's training diet of curry with everything (remember, curry makes you run more frequently!), this is the day of reckoning.

The event will, as usual, be based on Heathy Lea, leaving the organiser racking his brains for something original (black rubber underwear was discarded as incompatible with curry).

The start will be at 10.45 PROMPT - hence all Oreads should program brains with a 10.15 start intention. See you there - Chris Jonson.

P.S. Can I have volunteers to man checkpoints, please.

Alpine Discussion

March 12

Keith Gregson

Keith will chair an informal meeting to discuss possible alpine venues for this year's Club Meet - the meeting will be at the Rowing Club and will start at 8.00 pm.. If you have any opinions about where the club should go this year and cannot make this meeting, let Keith know beforehand on Derby 792147.

Inchree Bunkhouse

The club has recently received details of this bunkhouse at Onich just off the road from Ballachulish to Fort William (tel: Onich 287). A modern, purpose-built bunkhouse, it caters for up to 23 people - full kitchen and utensils, flush toilets, electric showers, drying room, etc. Heating is by wood-burning stove, there is a piano and one wall of the bunkhouse is a technical climbing wall. Rates, including electricity and heating, are £2.80 per person per night or £17 per week.

Your subscription is now overdue. £10 per person, £15 for a married couple. If you have paid by standing order, it is probably only for the old rates of £6.50 and £10 - could you please send the balance on to Lol Burns. All monies to Lol at 51 Cranmer Street, Long Eaton, Notts..
