**BLACK ROCKS - THE WEDNESDAY BEFORE THE
WEDNESDAY BEFORE CHRISTMAS**

KEITH GREGSON

The last real climbing meet of 1987. Will it be wet? Probably, but don't let that put anyone off. People can start knocking off the routes at any time after the light as got out, say between 5.30 and 8.00!

Depending upon the weather and keenness, the sport of climbing will finish on the crag about 8.30 to 9.00 and restart at The Gate, Brassington.

Food is available at The Gate - that includes the solid type!

If night climbing is not your cup of tea, just turn up at The Gate for a social evening.

REMEMBER no chalk, but bring a torch and if you want to see anything the batteries are useful.

CHRISTMAS AND NEW YEAR AT TAN-YR-WYDDFA

There will be Oreads at the hut over Christmas and the New Year. At present there are still beds spare. If you fancy a few days out on the hills instead of tele watching or festering please book in.
