

Laurie Burns

Club members will be saddened to hear of the death, at his home on April 28th, of Laurie Burns, who had been an Oread member since the early 1950's and served the Club magnificently for over 30 years as honorary treasurer.

A full appreciation of Laurie will appear at a later date. In the meantime Reg Squires has undertaken to look after financial matters until permanent arrangements can be made (see below).

New Club Treasurer

Roger Larkam has agreed to be the new Oread treasurer. If anyone has sent any money (cheques or cash) to Laurie in the last few weeks, could they please contact Roger (5 Leeds Place, Derby - tel. 383371) to make sure it has been received.

1988 Oread Fell Race Results

Graham Sands

This year's Fell Race was won by Richard Hopkinson, who also ran the fastest scratch time. The race was completed by twenty-four runners, whose times are given, and by about fifteen walkers whose times and names cannot be given as I've lost the list (sorry).

Thank you to all who entered the race and a special thanks to those who manned the check points, especially those who did so at short notice.

Tan-yr-Wyddfa Working Party Report

Hut Committee

Those present were

C Hooley, M Hooley, E Phillips, J Fisher, J Shreeve, F Starkey, C Barnard, R Coghlan, S Bashforth.

A very successful weekend. Building materials were ordered on Thursday and were delivered promptly at eight-thirty Saturday morning. This brought us smartly to our feet and with bacon butties still clinging to our teeth we unloaded the vehicle. The object of the exercise was to refurbish one bedroom, 'HEBOG', with pinewood cladding.

The work proceeded apace; by Saturday evening the Hut resembled a demolition site, but by Sunday afternoon the whole thing had taken shape. The plaster and lath walls that had been ripped out had been replaced with rockwool insulation and plasterboard, damp-proof membrane and wooden framework was fitted where required. By Sunday evening the room was ready to receive the pine cladding, which will be fitted on a mini working party in a few weeks time.

Other jobs which were completed were painting out the lounge with emulsion "Mushroom colour"; there was enough left to paint the downstairs toilets, also a coat of Lakeland green emulsion was applied to the drying room area.

On behalf of the Club I would like to thank everyone who attended; I think we all agreed that Margaret Hooley 'single handed' did a splendid job in keeping us all supplied with hot soup and drinks when required. I have been asked to make a special mention of the energetic approach to demolition of walls as demonstrated by our prospective member Steve Bashforth, who also as my amanuensis has produced a supplementary report in the Hut log book. My personal thanks to John Shreeve for stage managing the whole event, to Frank Starkey for his technical expertise, and last but not least to the rest of the team for their hard work through the hours of dust and grime.

The purpose behind refurbishing the room.

It is being financed by one of our long-serving members of the Oread who is also a Club Trustee, Ernie Phillips, in memory of his wife and club member Ronni Phillips; a measure of their many happy hours spent together in Wales at the Hut. Such has been the cost effectiveness of this operation there are still finances left over, therefore at Ernie's suggestion we can effectively do the Oread room next.
