Oread Newsletter October 1988

October 3rd Indoor Meet, Royal Oak, Ockbrook Tony Raphael

As usual the indoor meets will be held on the first Tuesday of each month (except for January).

Starting the new series we have **Pete Scott** talking about his travels and treks in **India, Kashmir and Ladakh.**

The talk will start at 8 pm prompt - see you all there.

The next talk will be
November 7th Tony Waltham - Caving in China

October 6th-7th Golden Oldies Doreen Hodge

I agreed to lead another Golden Oldies meet this year in the hope that it would prove as popular as last year's when everybody had a thoroughly good time. I'm happy to say that this has indeed been the case, with all beds booked at the time of writing.

I've nothing definite planned but if the weather lives up to last year's splendour, anything is possible (for the fit ones anyway - which lets me out!)

Looking forward to seeing you all.

October 14th 1989 Oread Photographic Competition
Cavendish Rooms, Edensor - 7.30 for 8 p.m. start. Gordon Gadsby

The Oread annual slide competition is with us again, so please sort through your slides and let's have a good entry.

The Club is 40 years old this year and the first name on the Main Trophy (Norman Cochrane Memorial Cup) is Derek Burgess 1958; then Jack Hebog Ashcroft won it three years in succession! an accomplishment never to be repeated.

Part of our Club's history is embedded in the competition for this photo cup, so please turn up for another great night in the Oread calendar.

The usual format will prevail

Section 1 - Aesthetic UK

Section 2 - Action UK

Section 3 - Aesthetic Abroad

Section 4 - Action UK

Section 5 - Club Interest

A maximum of 3 slides in each section, spotted in bottom left hand corner plus name and section entered. A total of 15 slides per entrant (or less) - entry fee £1.

Our Judge for the evening will be David Gibbons LRPS, a landscape photographer with a special preference for the Lake District (is that a clue?). The Club Interest section will as usual be judged by the President.

There will be trophies for the two entrants with the highest overall score, plus prizes for third and fourth place and hopefully several certificates for slides of a high standard; plus the Peacock Trophy for the winner of the Club Interest.

All slides to me at "Konstind", 7 Imperial Avenue, Beeston, Nottingham NG9 1EZ (tel. Nottm 227012) BEFORE Saturday 7th October; or I will collect at the Rowing Club on Tuesday 3rd October.

October 21st-22nd Family Meet Gordon Gadsby
