APRIL 2022

Congratulations to Paul Gardiner, co-founder member, past president – 50 years ago – and Honorary Member, shown here celebrating his 90th birthday on a walk with friends, relations and fellow Oreads. Photo Peter Amour.

Editorial

Lots of meets coming up - including the successor to the popular Boundary Walk. Don't miss the first leg of the **Gritstone Trail** starting in Macclesfield Forest on 6 April. There are also two meets in April particularly aimed at newer members, one for climbers and a second walking weekend at the end of the month. Plus of course Easter in France for some bouldering in the sun.

In May there is a Meet to the excellent Low House Hut in Coniston - let us hope for some more of the wonderful weather enjoyed on the recent Patterdale meet – photos and write -up in here.

Finally – a plea from the Committee - the new committee as listed on page 7 is short of a secretary. A volunteer would be most welcome!

Copy Deadline 20 April.

6 April Wednesday Walk– Gritstone Trail 1 Stuart Firth

I intend this to be the start of a new project – to walk the length of the Gritstone Trail in a series of loops. I know a lot of folk enjoyed the Peak District Boundary Walk so this is a follow-on. I hope you'll join me for this stage and hopefully others in the future.

Meet at 10:30am at Trentabank Reservoir Visitor Centre, Macclesfield Forest. Pay and Display car park. OL24 White Peak GR 941722. There may also be free roadside parking at Ridgeway Reservoir. GR 946714.

The approximate route is: Greenbarn, Lowerhouse, Hill of Rossencloves, Lingerd's Farm, (possibility to shorten route here), Higher Pethills Farm, Foxbank Farm, Ridge Hall Farm.

We'll finish at the Leather's Smithy pub for some refreshment. Bring a packed lunch for al fresco dining.

8-10 April New Members Meet Heathy Lea Ben Wooler

A shot from the new members meet way back in 2018 which saw a fantastic turnout of old and new members.

It's about time we dusted off our ropes and shoes for a slightly delayed new members meet to see just how weak our fingers have become. Hopefully this year we'll actually get out on real rock!

The format of the weekend will likely involve a small group out climbing on the Friday evening then retiring to Heathy Lea via the Robin Hood. Saturday morning we will then head out to a local crag to be confirmed nearer the time although probably Stanage.

Saturday evening will include a hearty meal provided by the club. The Chef is still to be determined and if no one volunteers it will be the meet leader (to everyone's risk), any budding caterers are encouraged. **Please ensure you inform the meet leader in good time if you are attending the meal and of any dietary requirements.**

Sunday will once again see us out at a local crag before heading home when enthusiasm or daylight fails.

The cost of the two nights in the hut plus Saturday's evening meal will be £10 payable on the weekend. Please come along and support your club, even if just a few hours out on the crag one day. These meets have brought many new members to the club and I think we can all agree it would be a good chance to get out and see some familiar faces without a webcam!

If you wish to attend or if you are a new member and would like any further information on what you may need or what you can expect please get in touch with the meet leader on xxxxxxxx The hut tends to fill up fast and will be allocated on a first come first served basis.

15-18 April Easter Bouldering, Fontainebleau Lance Baker

An Easter getaway to test and refine your technique, or to enjoy the comfort of your bouldering mat whilst sampling the wine, coffee and patisseries. The sandstone boulders are clustered at a number of venues spread out in the forest surrounding Fontainebleau. There are problems at all grades, often above friendly sandy landings.

I have booked in at the campsite: Camping Les Pres – Aquadis Loisirs

<https://www.aquadis-loisirs.com/camping-nature/camping-les-pres-fontainebleu>

Most venues accessible within a 30 minute drive.

Thursday 21 April Short Walk Ruth Gordon

We will start at 11.00 am at Ambergate, parking just over the river bridge on Holly Lane, the little road that goes off near the Hurt Arms and the cricket ground at SK347515. We will make our way up through Shining Cliff woods to a fine lunch spot in the fields above and then over to Alderwasley and down to

Whatstandwell where we might be tempted to stop at the Family Tree for a beer or afternoon tea before making our way back to Ambergate along the canal.

Saturday evening - Georgina is offering communal cous-cous meals (chicken or vegetarian) plus a sweet and maybe some wine for just £5-00 (the maybe depends on whether individuals sup a bottle or share it).

Please let us know a week before.

We could even have a bonfire party if folks want it, bring additional booze.

13-15 May Low House hut Coniston Charlie Taylor

We have the MAM Low house hut located in the village of Coniston booked for the weekend. The hut is located close to the fells of Dow Crag, Grey Friar, Wetherlam and the Old Man of Coniston with great walking and climbing in Great Langdale, just a few miles up the road. The Grizedale Forest offers plenty of easy walks and some of the best natural trails Mountain Biking routes the UK has to offer.

Please book your place with Charlie Taylor: email xxxxxxx

Platinum Jubilee Bank Holiday Thursday 2 – Sunday 5 June Pembroke South

Twelve places have been reserved for Oreads camping at Upper Portclew Farm, Freshwater East. This is handy for the climbing on the South Pembroke sea cliffs. Cost is £10 pppn. Apparently it is filling up fast for this weekend. If you want to go please contact the campsite directly to book. They have a web site, but you need to phone 01646 672122 to book.

Oread Summer Alpine Trip 2022 Gill Radcliffe Change of date.

I had originally planned to run this meet earlier in July but due to the unavailability of some club members I now intend to run the meet from the 23rd July to 7th August.

It's likely that Chris and I will be in the area for longer so any member is welcome to join us before or after these dates.

The plan is to return to Camping Du Glacier D'Argentiere camp site near Chamonix. The club went there in 2016 but I didn't get to go so I'm putting it forward as the summer Alpine meet for 2022. I've been reliably informed that it's an excellent camp site and I'm aiming to reserve a spot for Oreads.

The Chamonix mountains are the premier alpine climbing area in Europe and

there's a lifetime of adventures waiting for everyone. Whether you want to focus on multi-pitch rock routes in an alpine setting or opt for classic snow and mixed routes there is plenty to do. There are excellent walks in and around the Chamonix valley, including the Tour du Mont Blanc. I walked this excellent route in 1986 and it took me seven days, now it's run in 20 hours by elite athletes.

There are plenty of guide books out there but I would recommend the following two books by Jean-Louis Laroche & Florence Lelong for starters: Mont Blanc and the Aiguilles Rouges / Mountaineering in the Mont Blanc Range. If you're intending to come (Covid restrictions permitting) then I would appreciate a response as I will get in touch with the campsite to see if we can camp near one another. On-line booking is now available so that will make life a lot easier for the meet leader!

Updates from the A.G.M.

Your new committee

For those who did not attend the recent AGM these are the officers and committee members elected. **As you can see we are short of a secretary. If you feel you might be able to help please be in touch with any member of the committee.** Committee meetings are normally held on the second Tuesday evening of the month at The Boat in Cromford.

- President: Nigel Briggs
- Vice President: Jan Wilson
- General Secretary: Vacant
- Membership Secretary: Michael Hayes
- Treasurer: Janet Briggs
- Hut Bookings Secretary: Michael Hayes
- Hut Custodian Heathy Lea: Chris Wilson
- Hut Custodian Tan yr Wyddfa: Dave Helliwell
- Meets Secretary: Michael Moss
- Communications Officer: Ruth Gordon
- Additional Committee Members: Pip Leach, Dave Mason, Simon Pape
- Heathy Lea Hut Committee: Chris Wilson, Michael Hayes, Steve McDonagh, Pam Storer, Mike Wren
- Tan yr Wyddfa Hut Committee: Dave Helliwell, Dave Appleby, Chris Eyre, Roy Eyre, Ruth Gordon, Derek Pike, Pam Storer.

Training opportunities

As you will have seen from the Treasurer's report to the AGM the club has a budget to support members who wish to improve their climbing/mountaineering skills.

The money is available to:

- subsidise courses to improve members' personal skills eg belaying, trad climbing techniques, self rescue, navigation etc.
- support members who regularly climb with novices by bringing them up to date with current best practice.
- Set up instruction for groups of members wishing to learn a particular skill (anchor building, leading, safety and best practice etc). The club would engage a suitably qualified individual to provide instruction. This would be subsidised by the club, providing a lower cost to members than booking onto a course as individuals, but would not leave the instructor significantly out of pocket.

If you have identified a course you wish to attend as an individual please tell the President, Nigel, brief details for consideration by the committee.

Nigel Briggs email xxxxxxx

If you would like to join a group of members to learn some new skills please contact any member of the committee to discuss the options and register your interest. We will try to group people together and put you in touch with a friendly instructor.

Oread 75th Anniversary Nigel Briggs

The 20th March 2024 marks the 75th Anniversary of the inaugural Oread Meet. During 2024 the committee thinks it would be appropriate to run a number of events to celebrate our club and the 75th Anniversary. We are very much at the early stages of planning, if you have any ideas of events that could take place, or if you would like to be involved in any of the projects in any way please get in touch with me. The success of any of the celebrations depends on people willing to organise and help run them!

There are a number of projects we would like to see.

- An almanac type publication

I would like to follow the 25th and 50th Anniversary tradition with some sort of publication. I do not envisage producing and publishing a book. It would concentrate on recording the main events of the last 25 years (suggestions about what are the main events are welcome) and venues and highlights from 'annual events' such as the Bullstones Meet, the Alpine Meet and the Dinner etc. I also envisage contributions on members' own thoughts and reflections from the first 75 years of the club. This could be distributed as a pdf file, or printed out to order.

- **Putting a photographic history together**

We would like to collect 'interesting' photographs of club members and activities together on the website. Each photograph would be accompanied by a short description of the 'backstory' of the photograph, who is on it and where etc. Start to look through your photograph collections!

- **Publishing one article per year from the Newsletter from the years 2000 – 2024**

One article selected from the Newsletter for each year from 2000 – 2024 and put on the website.

- **Run a Summer Weekend Camping Meet**

The idea here is to hold a celebratory meet where members, friends and kindred clubs can come together for a weekend and celebrate the Anniversary. As the numbers could be large camping may be easier to organise than a hut based meet. There is no venue yet but the Peak District, as our 'homeland' seems an appropriate area to hold the meet.

- **75th Annual Dinner**

Something a bit grander than we have had in recent years.

If you are interested in contributing to the organisation of these, or other, events please get in touch with me, thank you.

4-5 March George Starkey Hut Patterdale Pip Leach

Sunshine at last! I can't remember the last time I experienced an away meet, when there was sun, snow high up, and it wasn't blowing a gale. It was well worth waiting for and felt like a breath of fresh, springtime air.

Funnily enough, as Peter Amour, John Gwyther, Peter Masters and I headed

The happy faces of Peter Masters, John Gwyther and Peter Amour in the early morning sunshine. Photo Pip Leach

across on the A66 Friday morning, the weather could only be described as dismal, rain, cold and very uninspiring. Bolstered by a good forecast, we had high hopes of it being better further west. As the fells came into view, the cloud was breaking and by the time we reached Ullswater, the sun was out. We had picked out a low to medium level walk from Pooley Bridge, which was a good warm up for more arduous walking later on in the weekend.

The meet was well attended, people opting to stay for one, two or three nights. Some Oreads used Patterdale as a stopping off point, breaking the journey on returning from Scotland, others used it as a break, heading north of the border. The rest of us were more than happy to make it a sole destination for the weekend.

Activities included walking, scrambling, climbing and pub visits. On Saturday Michael and Helen Hayes, determined to see some snow, went up Striding Edge, as did Michael Rittig and his guest, Richard. Ice axe and crampons were

necessary for the steep, final section. Derek and Snod were on St Sunday Crag and a group of us had a long walk, taking in High Street, The Knott and Angle Tarn, certainly the views across to a snow covered Helvellyn were beautiful.

Michael Percival and Jae completed a couple of trad routes on Shepherd's Crag. On Sunday, I wanted to bag the Wainwright Catsycam and link it with Swirral Edge, again 'interesting' in the snow, followed by the long circuit round to Fairfield, then St Sunday Crag, by means of a return. Snod and the Larkams went to Castle Rock of Tremain while Derek and Joan took a walk around Thirlmere area.

Roger and Snod on Gangway, Castle Rock. Photos Tom Larkam.

Others were in Grizedale area and other valleys.

Those who stayed until Monday ascended Plaice Fell to Howtown, with the return along the waterside.

Another feature of the weekend was cake! Both Peter Masters and John Gwyther celebrated birthdays, so those with a sweet tooth were in for a treat!

Thanks to all who attended.

Rusty's Puzzle Corner

Last month's puzzle solution:

The person in question is our esteemed Uschi
She scores 2 points as the user of a powered two wheeler,
4 points as a seasoned alpinist
16 points for residence near Markeaton Park lake.
and 32 for residence west of the Derwent
Total points 54 (I have personally never been in the slightest doubt regarding her gender).

Snod probably fixated on the powered two wheeler and was probably looking for a Bodacia or Tessy o Shea lookalike on a Black Shadow whereas Uschi has confessed to the use of an electric bike to keep up with her younger companions.

June Walker was put forward as Ruth's solution. I have known June for many years since she taught, I believe, in Ripley, but I do not know her history as an Alpinist, nor of a lake close to which she may reside.

It is possible that my information on June, and other club members, is incomplete in some relevant area.

Your Hon. Ed. still thinks June is an equally valid contender as for some years she rode an NSU Quickly moped with a rack fitted to the back to hold her rucksac and tent. In fact when she moved to Derbyshire she rode it down to Ripley from near Newcastle upon Tyne in a day. Some achievement! Her alpine exploits are recorded in "Climb if you Will" and there is what looks on the map like a modest lake just south of her home.

This month's puzzle comes to us courtesy of Roger Larkam:

It's Name the Gnome time!

Roger writes:

Can I suggest that for a little variety there could be, from time to time, a 'Name the Gnome' competition in the newsletter? I attach a couple of photos of a well-known member sporting gnome-like headgear so – can you Name the Gnome?

Other members are cordially invited to submit embarrassing photos of their gnome-like mates in 'orrible 'ats for entertainment in future issues.
